Re: Proposed annexation to the
City of Azusa, Southerly
Annexation No. 35

Dear Mr. Miller:

At the meeting held on March 4, 1959, the County Boundary Commission reviewed the boundary description and map submitted by you, with your letter of February 24, 1959, of the proposed annexation of territory to the City of Azusa.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
